## Levels, Divisions and Classes

Two certification programs will be offered at this event: Championship and Performance. Competitors may enter both Championship and Performance Program classes for which they are eligible; however, under NO circumstances may a dog be entered in the same Championship and Performance class on the same day at this agility test (i.e. Standard at any level in both programs)

### Championship Program

Starters Level; See Chapter 5 of the USDAA Rule Book.

Advanced Level: See Chapter 4 of the USDAA Rule Book.

Masters Level: See Chapter 3 of the USDAA Rule Book.

### Performance Program

Classes are offered at Level I, Level II and Level III

Performance Dog I: See Chapter 7 of the USDAA Rule Book

Performance Dog II: See Chapter 7 of the USDAA Rule Book.

Performance Dog III: See Chapter 7 of the USDAA Rule Book.

### Non-Standard Classes

**Gamblers Class:** consists of a course with no pre-determined route and each obstacle is assigned a point value. In the 'opening' period the handler seeks to accumulate points by performing the obstacles of his/her choice in the time allotted. At the conclusion of the 'opening' the handler attempts the 'gamble,' as a sequence designated by the judge to be handled from a distance, for additional points.

**Jumpers Class:** consists of a course of jumps and may include a tire and tunnels.

**Snooker Class:** has an opening sequence of point collection similar to Gamblers followed by a closing sequence of a set pattern. Roughly parallels the billiards game of 'Snooker.'

**Pairs Relay:** consists of a standard course with one dog and handler running a portion of the course, followed by a baton exchange to a second handler and dog who run the second portion of the course. Partners must be from the same level and height division, mini (CH 12/16”, Perf 8/12”) or open (CH22/26”, Perf 16/22”). Should only one dog be entered in a program/level, dogs not entered in the class or in that program/level may not be recruited to form a qualifying pair.

Complete rules are available online at [www.usdaa.com](http://www.usdaa.com).
